

easyHotel Statement

The following statement is issued by Harm Meijer, Chairman of easyHotel, on behalf of easyHotel and its stakeholders ICAMAP, Ivanhoé Cambridge and easyGroup:

“It is with the deepest regret that we confirm that François Bacchetta, Chief Executive Officer of easyHotel, has sadly passed away in France at the age of 56.

There are no words to describe the sense of sadness and loss we are feeling at this time. He will be greatly missed by all of us here at easyHotel and our thoughts are with his wife Angela, his two children and his entire family at this very difficult time.

François joined easyHotel in 2020. His wealth of experience, passion for our industry and dynamic leadership style has been invaluable to our business. François was one of the most charismatic, professional, talented, and modest people I have had the pleasure of working with. He cared passionately about our business and all of the people he worked with.

François leaves behind a strong executive and wider team in which we have every confidence and of which I know François was incredibly proud.”

François Bacchetta
